LEADERSHIP LAB: 100-DAY LEADERSHIP CHALLENGE

Turning short-term wins into long-term success

This year's theme challenges the idea that systemic change in schools and districts can take as long as five to seven years. You and your team will apply the concepts from *100-Day Leaders: Turning Short Term Wins Into Long-Term Success in Schools*, by Douglas Reeves and Robert Eaker. You'll walk away with a plan for your team's localized 100-day challenge centered on addressing an inequity at your site or within your district.

**This Lab is designed for
school and district teams.**

June 16, 2024: Orientation 5 – 6 PM • **June 17 – 18, 2024:** Leadership Lab 9:00 AM – 3:15 PM

By participating in this learning lab, you and your team will:

- Spend focused time together developing a comprehensive action plan to address a priority area specific to your site and district, working alongside Doug Reeves and his team.
- Create a plan for a 100-day leadership challenge focused on equity, collaboration, and continuous improvement.
- Expand your professional network and learn from others that have implemented 100-day challenges with success.
- **BONUS:** Receive exclusive access to SCOE 21CSLA's communities of practice and leadership coaching to support the implementation of your plan all school year.

LOCATION: University of CA, Davis, Conference Center

NO COST: Two nights hotel and Leadership Lab registration sponsored by SCOE 21CSLA

Participants responsible for travel and meal expenses.
